

Atlantic CAT

Dartmouth, Nova Scotia

Atlantic CAT is a sales and service provider for Catterpillar Inc. in the maritimes- a manufacturer of construction equipment available for sale, rent or lease for industries such as: Mining, Construction, Forestry, Agriculture and many more.

In 2000 Atlantic CAT started construction on their new location in the Burnside Industrial Park located in Dartmouth, Nova Scotia. Strescon Limited provided a total of 329 Insulated Precast Concrete Industrial Wall Panels for the exterior of the main building as well as the utility building. Strescon's Industrial Wall Panels consist of three layers: An inner and outer wythe of concrete with a layer of insulation in the middle providing structure, insulation and cladding. The exterior face of the precast panels were mixed with white colour with a medium sandblast finish. There was also a recess in the panel to form a band which was painted yellow after installation.

Project: **Atlantic CAT - Dartmouth, NS**
Architects: **Fowler Bauld & Mitchell - Halifax, NS**
Engineer: **CBCL Engineering Limited - Halifax, NS**
Construction Manager: **Tidewater Construction - Sackville, NS**
