

CAA Headquarters

Saint John, New Brunswick

The Canadian Automobile Association's headquarters and membership service center building sits high on Saint John, New Brunswick's Westmorland Road overlooking the McAllister Place Shopping Center in the Rothesay Business Park.

Built in 2004, this building is clad with 46 pieces (9,600 sq.ft) of 6 inch thick precast concrete wall panels. The bright white panels have a light sandblasted finish and 3/4 inch deep reveals to create the look of stacked blocks.
