

Precast Concrete Solutions for Housing

Coleman House

Newton, Massachusetts

Located a short distance from Route 128 in Newton, MA the Coleman House is a 146 unit housing for the elderly in the Leventhal - Sidman Jewish Community Center.

This eight story building, with its unique curved wall layout, was constructed with load bearing masonry walls and 8" thick Strescore hollowcore plank. The building was completed in 1998.

Customer: **Corcoran Jennison Construction Co. - Boston, MA**
