

Precast Concrete Solutions for *Industrial Buildings*

# TriLiteral Distribution Center

Cumberland, Rhode Island

Design Builder: **French Design Builders, Inc.** -  
Smithfield, RI

Strescon Limited joined the design-build team of French Design Builders Inc. in April 2000 to build a distribution warehouse center for TriLiteral LLC. TriLiteral distributes books for Harvard University, Yale University and others.

Strescon fabricated and erected 226 pieces (41,900 sf) of 8" thick insulated wall panels and 6" solid wall panels.

The building was completed in November 2000.
