

*Precast Concrete Solutions for Hotels and Lodging*

# Hilton Garden Inn

Warwick, Rhode Island

This six story, 163 room hotel, was built in 2004 using 75,000 sf of 8" Strescore hollowcore plank. The hotel is located on Jefferson Boulevard in Warwick, RI within a quarter of a mile from the T.F. Green Airport. The acoustical properties of the Strescore planks provide a quiet atmosphere for the hotel guests.

STREScore PLANK SYSTEM
