Auburn, Massachusetts is the newest location of a Holiday Inn Express Hotel. Adjacent to Interstate 290 this three story, 112 room hotel features a gift shop and business center.

Strescon Limited fabricated and installed 56,000 sq. ft. of 8 inch thick Strescore plank, bearing on interior concrete block walls, over a six week period.

Precut mechanical chases were provided by Strescon Limited to allow for the plumbing and HVAC subcontractors to immediately install their materials, allowing for a quicker completion on the project.
