

# Homewood Suites by Hilton

Peabody, Massachusetts

This Homewood Suites Hotel sits adjacent to a Hampton Inn at the Route 1/ Route 95 interchange in Peabody, MA. This six story, 85 room hotel built in 1999 used 68,000 square feet of 8" thick Strescore plank.

The accommodations include separate living and sleeping areas and each unit has its own fully-equipped kitchen. The hotel located only 14 miles north of Boston's Logan Airport caters to the many nearby office parks.
