

Precast Concrete Solutions for Dormitories

Salve Regina University Miley Hall

Newport, Rhode Island

STRESCON PLANK SYSTEMS

Architects: **Newport Collaborative, Inc.** - Newport, RI.

Engineer: **Odeh Engineers, Inc.** - North Providence, RI.

Construction Manager: **Farrar & Associates.** -
Newport, RI.

This four story, 150 bed residence hall is home to first year students. Completed in 2004, Strescon fabricated and installed 41,000 sf of both 8" and 10" thick Strescore plank. The plank ceilings were finished with a textured sprayed on paint providing a pleasing bright finish.

Salve Regina University is located along side the historic "cliff walk" mansions in Newport, Rhode Island.
